SetFree Guardian Angels

Dear

SetFree is a weekend long event that seeks to provide young people, especially those young people who have limited involvement with the Catholic Church, with an opportunity to encounter Christ through prayer and sacrament, music and youth culture. SetFree began in 2010 and has been running annually ever since. Each year over 200 young people gather to celebrate our Catholic faith and encounter Christ. There is great pride on behalf of the planning team in delivering excellent speakers, videos and music in an atmosphere that is both professional and engaging. It is rewarding to see so many young people making that important choice for God in their own lives. SetFree is an extraordinary event that bears great fruit for the life of the church; building parish youth groups and strengthening Catholic character in schools.

While the graces received by participants and leaders at the event are free, the event itself is not! In order to provide a quality and effective event there are necessary costs. These include; volunteer leader accommodation, volunteer band accommodation, guest speaker flights, sound and lighting gear, advertising and promotional material, and bus transport. The registration fee each participant pays only covers their accommodation and food for the weekend.

Please consider joining the SetFree Guardian Angels program. We need your financial help to fund those youth who are unable to pay the full registration cost and to cover the aforementioned event costs. Your gift will ensure this wonderful event continues in 2017 and beyond. If you choose to join the program you will receive a SetFree magnet for your fridge and a comprehensive review of SetFree 2017.

Please pray for SetFree and the youth of the Hamilton Diocese.

In Christ,

Briege Koning

SET FREE

Changes lives in Jesus' name

[SetFree] Definitely improved the way I see God and MERCY.

It was a great opportunity for me to fully open up and allow myself to be given fully to God. Also a great way to meet like minded people who are at a similar place to me on their faith journey.

[SetFree] gave me an opportunity to reconnect with my youth and strenghten my relationship with God and not be afraid anymore and just trust in God's plan for me.

[SetFree was] very fruitful and enjoyed the workshops and teachings. The sessions were good and straight to the point and enjoyed the programme and set lists. Overall an amazing event! The Holy Spirit was definitely present!

It changed my whole idea about the Faith!
